

Remarks

Applicants acknowledge the Examiner's Amendments to claims 48, 51, 54, 68, and 71, which were received with the Notice of Allowance. Those amendments are reflected in the claims submitted herewith.

In addition, by this Amendment claims 49, 52, 69, and 72 are amended to correct typographical errors in three of the listed botanical names. Entry of these amendments is proper under 37 CFR 1.312 because the amendments will help to properly protect the invention, and will require no additional search or other substantial amount of additional work on the part of the Office.

After entry of this Amendment, **claims 40-77 are present in the application.**

Applicants request consideration and entry of this Amendment, and acknowledgement that all of the claims remain allowed. If any questions remain, the Office is requested to telephone the undersigned attorney.

Respectfully submitted,
